By *Parrys* ESTATE

Welcome to Western Australia's event estate – a timeless environment in which to exchange 'I do-s' and celebrate your own significant moment in time.

Our coastal landscape is unmistakably Australian, set amongst 130 rural acres, just 1 mile inland from the ocean and 4.5 hours from Perth, Parrys Estate consists of four adjoining facilities: 'Stella's Reception, The Shelter, The Grounds and The Open Air Chapel.

Additionally the estate boasts a collection of 4 beautifully appointed residences, available for holidays and lazy long weekends away, but which are also ideal for those declaring 'I do'.

Your wedding at Parrys Estate comes with the freedom to create your own unique wedding. Not open to the public we are an exclusive and private property. We are happy for you to treat this 130 acre nature reserve as a blank canvas.

Our aim over the past 25 years has been to allow wildlife to thrive and roam freely throughout the reserve. We have planted more than 1000 trees and hopefully we have another 20 years of planting in front of us.

We cater for a maximum of 10 weddings each year. our experienced wedding coordinators can work either directly with you or with your wedding planner to create a unique and memorable wedding in one of the most scenic areas of Western Australia.

Your wedding ceremony

We have a variety of external wedding ceremony sites as well as our internal wedding ceremony venue, The Shelter - surrounded by curious cows and cutting a striking silhouette against the hinterland, this contemporary purpose-built non-denominational chapel is perfect for jaw-dropping 'I do-s'.

The Grounds are carefully curated for outdoor nuptials and events whilst the unique Open Air Chapel is a special and substantial structure, crafted for plain-air pledges and ceremonies.

Your wedding reception

The purpose-built reception space Stella's accommodates, dining and dancing.

Welcome your guests into the building's Champagne Lounge to kick-off celebrations after perfect pledges and first kisses.

Serve drinks from the beautiful bar made from local stone or step through to the view - an alfresco area that overlooks The Grounds and showcases the estate's lake. Perfect for pre-reception drinks and canapés.

When time for the reception, Stella's allows guests to gather in anticipation of the giant jarrah stable doors being rolled back to reveal the Dining Room in spectacular style.

Food and Beverage

We partner with an elite collective of Westralian chefs to curate enticing menus featuring local and native ingredients for that unrivaled event. Due to the secluded nature of our venue we do not have in house chefs.

To be able to host weddings in our corner of the world we work closely with exclusive chefs from around WA. Though not all local, our chefs are passionate about using local suppliers and growers, giving you the best of what the region has to offer.

Please see the Parrys Estate Chefs document for more details.
